As a courtesy, the Presbytery attempts to provide driving directions and parking information (when known) to all the members attending the Assembly.

Due to the size of the presbytery, we are unable to include all possible routes to the meeting. The directions we provide begin with major routes into the city/town where the assembly will be held, and include more detailed directions regarding the streets closer to the meeting site. Please use an online source or printed map to find the way from your starting point to the place where these directions begin. The POV website has all church locations marked on Google Maps to assist you.

Occasionally, there may be construction/detours that we are unaware of. To be prepared for this possibility, it is wise to have a map, Google map printout, or GPS navigation available, just in case.

From the north:
