A Call for Used Hearing Aids

4000 patients a year receive care at the Health and Wellness Audiology Clinic of the International Center of Bethlehem. One of the parts of the partnership of the Presbytery of Ohio Valley and the International Center of Bethlehem is sending hearing aids to Bethlehem. They are sent in June and January, so NOW is the time to put out the word and gather used hearing aids and send them or hand them to Jo Lucas, 530 Shoreline Drive, Columbus, Indiana 47201.

Your gift will reconnect an adult or child with the world around them.

The Partnership between the International Center of Bethlehem and the Presbytery of Ohio Valley began in 2006. The work includes sending scholarship dollars for the K-12 Dar Al-Kalima School in Bethlehem, support for Churches for Middle East Peace, sending hearing aids, education, travel and daily prayer for the work here and there.
