Summertime at Camp PYOCA

Camp has started! We are excited with the theme for the summer, "Be a Hero" and how we can be a hero EVERYDAY! Registrations are still being accepted, however some programs are filling or full! Please check the website for current enrollment information. We have opportunities for youth entering first grade through high school! There's something for everyone!

For more information and to register, please visit www.pyoca.org, or contact Rich@pyoca.org. Limited scholarships are available!

Also, we have had a great success with our new monthly program, Third Thursdays! Spend the day at Pyoca helping us maintain our facility - we have lots to do! Upcoming projects include woodworking, organizing, staining and painting! Please contact Rich Swartwood if you can make it on the Third Thursday of each month. We'll make sure you have fun (and a great lunch)!

Daycare Ministry

Are you in a church that has or is considering a daycare ministry? One of the ways we - as church communities - can serve others in the name of Christ is to provide safe and affordable childcare to our communities. In doing so, we want to make sure we are serving others with excellence and integrity, and it helps to consult from time to time with other daycare ministries and agencies.

If you would like to learn more about resources to support a daycare you know of, one option would be to contact Beth Jeglum at the **Indiana Association for Child Care Resource & Referral** - an agency whose aim is to build networks to support families, providers and communities. Beth has 25 years of daycare experience - including directing the daycare at the campuses of IUPUI. Beth can be contacted by emailing her at bjeglum@iacrr.org or by phone at (317)789-5373.
