BOARD OF PENSIONS (BOP) BENEFIT PLAN

Employing organizations will pay regularly in advance to the board responsible for benefits a sum equal to that requisite percent of effective salary (salary + housing or 30+% of salary, utilities, and any deferred compensation) which may be fixed by the General Assembly of the Presbyterian Church (USA) including pension, medical coverage, and death and disability benefits. For pastors working over 20 hours per week, who are not members of the Board of Pensions, a comparable amount will be paid to their denomination's plan or other mutually-agreed-upon retirement program.

The Board of Pensions has adopted a new benefits plan, beginning in 2025, that no longer requires congregations served by installed pastors to cover health insurance for spouses and children. A more flexible plan is being offered that gives congregations the option to offer family coverage, although coverage may be more costly. For more information, visit the Board of Pensions website at: <https://pensions.org/what-we-offer/church-plans/updates>

Medical coverage for pastors and their families continues to be both a value and an expectation for congregations served by installed pastors, as well as those whose pastors are serving in non-installed positions for at least 20 hours a week. *Minimum pastoral compensation in the Presbytery of Ohio Valley includes health insurance coverage for pastors and families, to be paid by the congregation.* Terms of call for installed pastors and pastoral agreements for temporary pastors will include a statement indicating how this coverage will be provided. Possibilities may include insurance provided by a spouse's employment or purchased through the market place.

It is not the intent of this policy to create a hardship for congregations or pastors. The Presbytery, working through its Committee on Ministry and Presbytery Staff, is committed to helping congregations and pastors navigate these changes.
